

MUSE

E Q U I P E M E N T L I S T

Welcome To Our Studio

MUSE is a creative space built by artists, for artists. Located in Meanjin/Brisbane, we're a multi-use studio designed to support bold ideas, honest expression, and collaborative magic.

Our boutique space is designed to be your blank canvas. We offer hires for photography/video, podcast room, self-tape and dedicated actors studio, events and more!

We are located at 27/37, McDonald Road, Windsor. We have 2 dedicated car parks and ample street parking.

Lights & Trigger

Page 10

GODOX SL60W

SL-60W Universal, continuous LED light source with a daylight temperature of 5600K, well suited for filming and photography. The lamp provides high brightness and color accuracy. The intuitive design of the lamp includes a rear LCD display and a knob to adjust the brightness from 10-100%.

GODOX AD400

The Godox AD400Pro is a 400Ws all-in-one outdoor flash strobe known for its compact design, powerful output, and compatibility with various TTL systems. It features a 2.4GHz wireless system, a 30W LED modeling lamp, and a 2600mAh lithium-ion battery for portable power.

Godox X3-C Touch Screen TTL Wireless Flash Trigger for Canon

The Godox X3 is a touchscreen TTL wireless flash trigger that utilizes the [2.4GHz Godox X System](#). It features a high-contrast OLED touchscreen, a two-way TCM for quick switching between TTL and manual modes, and a built-in rechargeable lithium battery. The X3 also offers a variety of modes, including TTL Auto Flash, Manual Flash, and Multi Flash.
